

# Overview Boards

Find your perfect board type and share your passion for the ocean.

- ST

**Standard boards** are your perfect choice if you search for a advanced board.
- SC

**Semi construction boards** are lighter than standard boards and widely hand-crafted.
- KID

**KIDS BOARDS** are shorter, lighter and build for a maximum range of fun on the water for the lighties.

- HS

**HANDSHAPED BOARDS** are for all the professional board riders who need something special (and you miss in our Standard or Semi-Construction range) we can shape your individual board. As individual as your style.
